9:17 PM

```
fn main() -> int {  
    let i:int, j:int, x:int = input(), y:int = 0, z:int = 1;  
  
    i = 0;  
    j = 1;  
  
    while i < x {  
        y = y + 2;  
        z = z * j;  
        i = i + 1;  
        j = j + 2;  
    }  
  
    return y;  
}
```
